BiiGGA Product Guide

OUR PRODUCTS Two ways to fund your business

Two separate products, each priced and repaid on its own basis. Submit a scenario for a conditional approval, approved and funded same day.

VARIABLE REPAYMENTS

Merchant Cash Advance (MCA)

A lump sum advance repaid as a set percentage of your turnover. We get paid when you get paid.

- ✓ **$10,000 to $500,000**
  Up to 3 x monthly turnover
- ✓ **Repayments move with your trade**
  Based on a set percentage of turnover, updated fortnightly
- ✓ **Paid daily or weekly**
  Repay as you trade
- ✓ **Ideal for seasonal businesses**
  Quiet weeks cost you less, strong weeks clear it faster
- ✓ **Approved and funded same day**
  One factor fee, agreed upfront. Early pay out option available.

FIXED REPAYMENTS

Business Term Advance (BTA)

A lump sum advance with a fixed repayment schedule, so you know exactly what comes out and when.

- ✓ **$10,000 to $500,000**
  Up to 3 x monthly turnover
- ✓ **Repayments based on amount and term**
  A fixed schedule agreed upfront, certainty for budgeting
- ✓ **Ideal for businesses wanting a set term**
  A known repayment and a known finish date
- ✓ **Paid daily or weekly**
  Pick how you repay
- ✓ **Approved and funded same day**
  One factor fee, agreed upfront. Early pay out option available.

PRICING AND REQUIREMENTS What we need, and what the price will be

The MCA and BTA are priced on age of business, term and the attributes of the business. Simple interest forms the factor rate, which is capitalised into the amount, so the total repayable is set at the start. No establishment fee. Collections costs apply on default. Early pay out option available.
